CRYO HOLLOWER / SHEAR SCRAPER

The Cryo Hollower from Crown is a great tool for small and medium size hollowing. It comes complete with 2 hollowing probes, 1 shear scraping tip and an egg cutter for those heavier cuts. All tips are cryogenically treated for vastly improved wear resistance.

CROWN SPIRALING & TEXTURING SYSTEM

Take turning to the next level with our beautiful new spiraling and texturing system. Complete with 2 different spiraling wheels, an ergonomic indexing tool and a texturing wheel, it includes everything you need to apply stunning spirals and textures to your turnings.
